Compare and contrast these images found on the Metropolitan Museum website.

Krishna Killing the Horse Demon Keshi

And **Fasting Siddhartha,** Kushan Period.

1. Identify each as to title, time period, culture, belief system, context, etc.
2. Describe very carefully.
3. Discuss the source for the imagery. (Is it from one of the texts? If so, which one? What is the story that is being represented?)
4. How can we identify the figures in the work? Do they have certain attributes? What are they and how do they tell us who this person is?

Write at least two complete pages. 12 point type 1.5 spaced. Include all resources consulted. This means you will tell where you got the information you are including in your analysis. You will need to use the images as a source, then find the answers to the questions in other places. Our book, other books, the internet, etc. Please be sure if you use the internet that your sources are reliable.

Finished paper is due September 24th. NO late papers. If you want me to look over your paper before you turn it in, please have outlines or some part written early enough for us to discuss.
