

Project 1—SHAPE AND LINE Due week 5—October 4
This is a 3 week project.

Note: instructions below so you know what is due and when.

Instructions:

Using the artists presented as an example, create a design that uses flat shapes of varying color, overlapping color, and line.

It can be abstract, like Julie Mehretu and Shinique Smith. Or it can be representational like Milton Glasser. Do more research on the artists.

Materials:

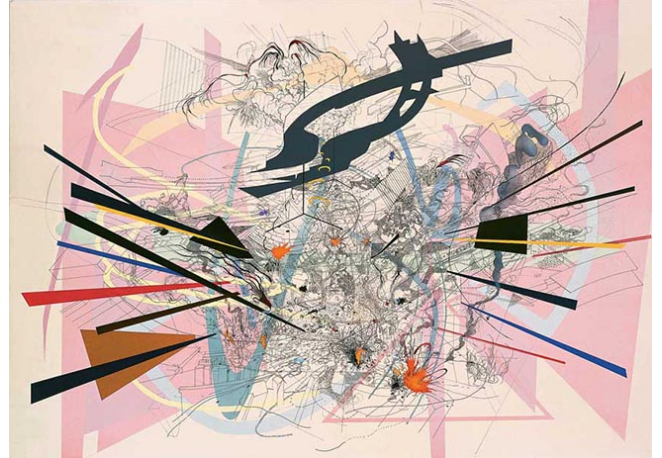

Cut paper (opaque and transparent)

Markers

Graphite pencil

Watercolor?

Ink

Project due October 4

Week 1—sept 20

1. Sketchbook should have notes and sketches all artists listed on the website.

This is research for the future.

2. Begin working on vocabulary words.

3. Have 20 thumbnail sketches showing different solutions to the problem. We will review in class.

Week 2—sept 27

1. All sketchbook work complete.

2. More sketches and ideas for final piece.

3. Work on final piece in class

Week 3—oct 4 Project due
