

Digital Photo Assignment Sheet for Stillness

Look at the images on this sheet. Identify the artist. Discuss how the photographer worked with the idea of stillness. Be specific. Does the particular way the artist used light have meaning? If so, how? How does the composition impact the meaning and visual interest of the image?

Icy Night, Alfred Steiglitz

New Mexico, Ansel Adams

New Mexico, Lee Friedlander

Untitled Georgia Landscape, Sally Mann

All of these images are considered landscapes. Think about how different images of land, either natural or man-made can represent still.
