Value and Mass

Week Six :

Sketchbook Assignment:

Read chapter 5 in your book. Take notes and make sketches. Pay particular attention to Halftones, Highlights and a new rule. Do the two exercises on page 87.

Homework Assignment: Do a finished drawing of a torso (head and upper part of body). Make sure to consider proportions, line quality, gesture and proportions. Add careful value for representing mass. Use the techniques we learned in class. No smudging graphite or conte. 2 hours please.
